### Credit Application Cover Sheet

Thank you for downloading our credit application. Please fill out and when you're done fax to our credit department at (424) 236-4495. Be sure to include this cover page. While we're working on processing your application we need to mail us the original copy with your signature. If you're going to be reselling this material be sure to download and FAX a resale card with the requested information.

Usually it takes four or five days to process your application depending how quick your references respond.

Thanks,
